3/22/20  
*Hello everyone,*  
*As I said in my last message, we're doing everything we can to keep you informed and to keep the theater a safe place.*  
*The upcoming directors and their teams as well as the board have been holding online meetings to discuss moving forward.*  
*As of now, Mamma Mia will not run in May but will be postponed until September. Mamma Mia will take the place of The Underpants. Set construction, in-person rehearsals, and any other activity at FCT has been stopped and postponed to later dates. And as a reminder, FCT is closed to the public.*  
*Additionally, the Teen and Youth shows will be combined into one show, The Lion King Jr. Experience, to, hopefully, still run this summer.*  
*Again, these are not ideal situations and the decisions have been difficult to make, but we, as a board, are doing our best to continue with as many shows as we will be able to and allow many to still be involved.*  
*Shows, such as The Underpants and Matilda, that are being removed, will be moved into the following season.*  
*As we move forward, we will be sure to keep you informed, and we thank you for your continued support in our decisions. We have a great community here at FCT and we're glad we're able to work together in this difficult time.*  
*Please remember to check your email regularly as additional information is sent out via email, and you will be getting a bigger report from Board Trustee Jim Posey soon.*  
*Sarah Stamm, Board Trustee & FCT Board*
- It was also decided to send out a message about the change of dates for events coming up and relay voting results through newsletter email through JIM P.
  -

- DALEEN will contact Mary Jo Foos about box office, and FLOYD will contact Randy Brown to let him know the decision will be posted to Mamma Mia page.
  - After contact with MJ, the board will decide how to continue with box office details.
